

DIRECTIONS

Allen Key Hooks

The Gallery System Allen Key hook is used with The Gallery Clear Tape and The Gallery Stainless Steel Cable hangers. The Slimline Mini hook is used with The Gallery System Clearline hangers.

NOTE: All Allen key hooks function in the same manner.

DIRECTIONS:

Loosen off the screw using the key provided and feed the end of the hanger through the hook body. Slide to the required position and tighten.

RECOMMENDED WEIGHT:

See The Gallery System Weight Guide on page 5 for maximum weight specifications and compatibility of hangers and hooks.
